MOST POPULAR TITLES

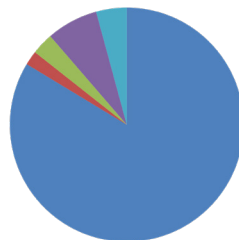

COMMUNITY CUPBOARD

Three times each day staff replenish the Community Cupboard to refill the most needed items! The Community Cupboard is totally donation based, so no tax money is used to purchase the free items in the cupboard. Popular items include toothpaste, toothbrushes, diapers, and adult and child-size socks. Thank you to all of our donors who make it possible for the library to serve the community in this way!

STRATEGIC PLAN

Glen Ellyn Public Library created a new strategic plan to help the library focus efforts through 2028.

65 S PARK LOCKERS

The library offers 24/7 locker hold pick up and book return at 65 S Park Blvd. Staff have made 677 deliveries since the lockers opened in February 2023.

OUTREACH VAN

The Glen Ellyn Public Library – Anywhere van arrived in June 2023! The fully electric vehicle can be charged in the library parking lot at the ChargePoint EV charging station and travels to storytimes, parades, and the library's new 65 S Park lockers to drop off and retrieve items. Thank you to the Friends, the Foundation, the Rotary Club of Glen Ellyn, and the Institute of Museum and Library Services (IMLS) for making this wonderful resource possible!
