This is my library. The Glen Ellyn Public Library.
I can visit the library with my parent, caregiver, or friends. I walk in the library.
This is the Youth Department.
Librarians work at the library. I can ask him or her a question if I need help, or if I just want to say hi.
I can look for books, movies, audiobooks, and other items like Play Packs.
I can look for specific items by using the catalog.
I can read books at the library.
I can play with the activity table, puppets, or other toys while I visit the library.
I can use a computer. I can look up information, play a game, or work on homework.
I can play on a Launchpad. I have to ask a librarian to use one.
Sometimes I might go to Storytimes or other fun events in this room.
This is the bathroom in the Youth Department.
I can use the study room if I need a quiet space.
The Sensory Box can help me calm or stimulate my senses. It has fidgets, a weighted blanket, noise-canceling headphones, and a timer.
This is a library card. I bring it with me to the library. I use it to check-out books so I can take them home.
I can check-out using the self-check machines. First I need to scan my library card. Then I scan items.
I can also check-out at the Library Services Desk.
The next time I visit, I return my books in the return bin.
I love visiting the library!
