LOBBY REFRESH

The library streamlined the shelving in the lobby to better accommodate our self-service holds and the Friends of the Library Book Nook. Now, cardholders and staff have quicker access to holds that also facilitate pick ups at the drive-up window.

BRAND REFRESH

The library brand was refreshed in 2021 with a new logo and color scheme that includes The Cafe, the Glen Ellyn Library Foundation, and the Friends of the Library. The quarterly Guide also has a new look that reflects the rebrand.

PANDEMIC RECOVERY

In 2021, the number of Glen Ellyn Public Library items that circulated was more than 77% of the circulation in 2019, prior to the pandemic. Because people only lost access to the library for a brief period of time during the pandemic, visitors' library routines remain strong!
